

# Notice to Suppliers

## Release of Aerospace SABRe Edition 3 Development Configuration Part (DCP)

**Originator:** Robert Starcke  
**Job Title:** Head of Supplier Quality  
**Business Unit:** Civil and Defence Aerospace

**NTS Number:** 477  
**Issue:** 1  
**Date:** November 2019

For the attention of the Managing Director and Quality Manager

Dear Sir or Madam,

### Scope/Applicability:

All Suppliers and Partners who supply parts related to Rolls-Royce **Aerospace** contracts / purchase orders requesting SABRe 3 DCP.

### Introduction:

SABRe 3 DCP is a reduced set of requirements for development configured parts (e.g. parts with a "D" prefix like DKH). SABRe 3 DCP is a subtractive from SABRe 3 Aerospace for Make to Print parts and is applicable if **instructed on the purchase order**.

The SABRe 3 DCP document and the related self-assessment tool are available within the Aerospace SABRe section of the Rolls-Royce Global Supplier Portal.

### Action Required:

Aerospace Suppliers and Partners are required to:

- Review Aerospace SABRe Edition 3 DCP and feed back questions to the appropriate Supplier Management Team
- Use the SABRe Edition 3 DCP compliance self –assessment to address any compliance gaps

### NTS Category:

SABRe
