

ROLLS-ROYCE GENERAL CONDITIONS OF PURCHASE FOR GOODS

1. INTERPRETATION

These GCP will be interpreted in accordance with the definitions and rules of interpretation set out in Schedule 1 (Interpretation).

2. APPLICABILITY AND ORDERS AND DEMAND

2.1 The Parties agree that the terms and conditions contained in the Contract in relation to Deliverables to be provided under these GCP are the only conditions upon which the Buyer is prepared to deal with the Supplier and that these GCP will govern the Contract and no other terms or conditions of business contained or referenced in any acknowledgement or any other form of acceptance by the Supplier (whether written or otherwise), any standard form, quotation, proposal, specification, supplier invoice or any other document issued, submitted or delivered by the Supplier to the Buyer or implied by trade custom, practice or any course of dealings between the Parties will apply unless such terms and conditions are expressly stated in the Order to apply and the Supplier hereby waives any right which it otherwise might have to rely on any such terms and/or conditions.

2.2 If Buyer and Supplier are parties to an existing Contract covering the Deliverables, any Order submitted pursuant to the Contract will become binding in accordance with clause 2.5. If Buyer and Supplier are not parties to an existing Contract covering the Deliverables, an Order will be deemed to be an offer by the Buyer to purchase Deliverables subject to these GCP and no Contract will, unless otherwise stated in the Order, be formed until the earlier of:

2.2.1 the Supplier expressly giving notice of acceptance of the Order; or

2.2.2 two (2) Working Days from the date of receipt of the Order by the Supplier, unless the Buyer is notified in writing by the Supplier, within such two (2) Working Day period, that it is unable to fulfil the Order.

2.3 Where an Order consists of a purchase order, the relevant Buyer will set out its Demand in the Purchase Order.

2.4 Where an Order consists of a scheduling agreement, the relevant Buyer will set out its Demand in the EPM System. The Buyer will update the EPM System to communicate changes in Demand and the Supplier will regularly access and check the EPM System. The Demand within the EPM System for deliveries due later than the end of the Trade-Off Zone is a forecast only and does not constitute any commitment by the Buyer. A Buyer can increase or decrease its Demand from time to time for any Deliveries (or change the Scheduled Delivery Date(s)) provided that, prior to and after the change being made, the required Delivery date for the affected Deliverables is not within the Trade-Off Zone.

2.5 An Order will become binding (each a "**Binding Order**"):

2.5.1 on the date a Purchase Order is received by the Supplier; or

2.5.2 in the case of a Scheduling Agreement, for the applicable Deliverable, at the date upon which its Scheduled Delivery Date falls into the Trade-Off Zone.

2.6 The Supplier will manufacture and deliver Deliverables to fulfil all Binding Orders and ensure all Scheduled Delivery Dates are met. If a Buyer requires:

2.6.1 Delivery on a date earlier than the Scheduled Delivery Date; or

2.6.2 to increase or otherwise adjust the Deliverables to be delivered on a Scheduled Delivery Date;

the Supplier will use all reasonable endeavours to deliver on the earlier date requested, or to deliver the adjusted number and mix of Deliverables, (this does not limit the Buyer's ability to amend the Demand or Scheduled Delivery Date in accordance with clause 2.4).

2.7 A Buyer may require the Supplier, at no cost to the Buyer, to immediately suspend all performance and delay Delivery of one or more of its Binding Orders for up to 12 (twelve) months per Binding Order. Within 7 (seven) days of being required to do so, the Supplier will resume performance under such suspended Binding Orders.

2.8 If a Buyer exercises its suspension rights under clause 2.7, this will not be a cancellation of a Binding Order under clause 2.9.

This information is provided by Rolls-Royce in good faith based upon the latest information available to it; no warranty or representation is given; no contractual or other binding commitment is implied unless as otherwise stated herein.

- 2.9 A Buyer may, at any time, cancel (fully or in part) any of its unfulfilled Binding Order(s), after which the Supplier will immediately stop all work in respect of such cancelled Binding Order(s) (or relevant part) and will ensure its subcontractors and suppliers do the same (“**Cancelled Deliverable**” and the date of cancellation being the “**Cancellation Date**”).
- 2.10 Subject to clause 2.11 the Supplier will repay to the relevant Buyer any payment made for the Cancelled Deliverables and the Buyer will pay to the Supplier in full and final satisfaction of all claims arising:
- 2.10.1 for Cancelled Deliverables ordered in a Purchase Order, or in a Scheduling Agreement with a Scheduled Delivery Date in the Firm Zone on the Cancellation Date:
- (a) costs of any work-in-progress the Supplier has proved it has reasonably and properly incurred in respect of the Cancelled Deliverables up to the Cancellation Date; and
 - (b) costs incurred by the Supplier, which the Supplier has not recovered under sub-clause (a) or through any other payment and which the Supplier has proved it reasonably and properly incurred as a direct result of the cancellation; or
- 2.10.2 for Cancelled Deliverables ordered under a Scheduling Agreement with a Scheduled Delivery Date in the Trade-Off Zone (but outside of the Firm Zone) on the Cancellation Date: irrecoverable costs that the Supplier has proved it has reasonably and properly incurred in the procurement of material and products for the Cancelled Deliverables up to the Cancellation Date.
- The total amount payable to the Supplier by a Buyer under this clause 2.10 for each Cancelled Deliverable will in no circumstances exceed the total Price of such Cancelled Deliverable.
- 2.11 The Supplier must submit its full claim in writing under clause 2.10 to the Buyer within 60 (sixty) days of the Cancellation Date failing which the Buyer will have no liability (under clause 2.10 or otherwise) arising out of the Cancelled Deliverables.
- 2.12 On the relevant Buyer’s request the Supplier will deliver to the Buyer at the Buyer’s cost (or, at the Buyer’s option, permit the Buyer to collect) all work-in-progress and any material purchased by the Supplier for the Cancelled Deliverables.
- 2.13 The Supplier will, so far as possible, reduce its costs set out in clause 2.10.

3. REPRESENTATIONS AND WARRANTIES

- 3.1 The Supplier represents and warrants to the Buyer that, on the Effective Date and on an ongoing basis:

This will be in addition to the Buyer's other rights and remedies in the Contract.

3.3 The representations and warranties in clauses 3.1 and 3.2 will be deemed repeated by the Supplier on the Scheduled Delivery Date of each Deliverable with reference to the facts and circumstances then existing.

4. **PRICE, PAYMENT AND COST IMPROVEMENT**

4.1 If not set out separately in the Contract, the price of the Deliverables and the currency for payment will be set out in the Order it being agreed that unless otherwise specified by the Buyer in an Order, the price for all Deliverables will be invoiced and paid in GB Pounds. Supplier acknowledges and agrees that the price payable in respect of a Deliverable is set by reference to the period in which the Scheduled Delivery Date for that Deliverable occurs and that any delay in delivery of a Deliverable will not entitle Supplier to any amount in addition to the price to which it would have been entitled had the Deliverable been delivered on the Scheduled Delivery Date.

4.2 Prices are exclusive of value added tax or any other similar tax ("**VAT**") payable in the Buyer's jurisdiction of incorporation but are otherwise fully inclusive including in respect of all other taxes, duties, levies and Tariffs. If VAT is chargeable in the Buyer's jurisdiction of incorporation, it will be separately identified on the invoice and subject to the Supplier's compliance with its obligations in clause 4.4 or 4.5 below, as applicable, will be payable by the Buyer.

4.4 Subject to acceptance of the Deliverables (as applicable) pursuant to clauses 6 (Acceptance) and 9 (Remedy for Defects), the Supplier will be entitled to submit an invoice to the Buyer upon Delivery of the Deliverables (or at such other times as agreed by the Parties), and the Supplier confirms that it will comply with the terms of the Order in respect of submitting its invoice(s) (to include the use of an online portal if and as directed by the Buyer) and that each invoice will quote the number of the Order and a full breakdown of the price (with sufficient information to enable the Buyer to verify the price) and any other relevant references provided at Delivery and will comply with all applicable tax requirements. The Supplier agrees and acknowledges that the Buyer will have no liability in respect of any payments due hereunder which are not invoiced by the Supplier in accordance with the Order or that is not invoiced within twelve (12) months of the date when such invoice had properly become presentable under this clause 4.4. If an Order specifies labor and material, then the material costs must to be stated separately on the Supplier's invoice.

4.5 In respect of Deliverables only:

4.5.1 subject to compliance with applicable Law, where the Supplier has registered to participate in a goods collection service with the Buyer or an Affiliate of the Buyer (for example, 'E-Manifest' or 'Matrix') then:

(a) after the later of the Scheduled Delivery Date or the Delivery of all the Deliverables, the Buyer will raise an invoice on the behalf of the Supplier for the Deliverables that will serve as a VAT invoice (a "**Self-billed Invoice**");

- (b) the Buyer will use a sequential invoicing procedure to generate the applicable invoice number that will be referenced on the Self-Billed Invoice);
- (c) the Buyer may elect to use e-invoicing as a method for raising Self-Billed Invoices electronically;
- (d) the Supplier will, either before or as soon as practicable after the Effective Date, provide the Buyer with the Supplier's VAT registration number and any other details reasonably requested by the Buyer for the purposes of raising the Self-billed Invoice and the provision by the Supplier of this information will, subject to clause 4.5.1(f) below, constitute the Supplier's acceptance to the VAT treatment applied by the Buyer;
- (e) the Supplier will not raise its own invoice for the Deliverables;
- (f) in addition to clause 4.9, the Supplier will notify the Buyer as soon as practicable if: (i) the Self-Billed invoice is not compliant with the requirements of its local tax authority; or (ii) subject always to clauses 12.7 and 17 of the GCP, the Supplier transfers its business as a going concern;
- (g) the Buyer and Supplier will during each contract year of the Contract, confirm to the other in writing its approval to continue with the Self-Billed Invoice process. The Buyer, or its nominated third party service provider, may, at its absolute discretion and on an annual basis, audit the Supplier's compliance with the requirements of this clause 4.5.1 and the Supplier agrees to provide all necessary facilities and assistance for such audit to take place;
- (h) the Buyer and Supplier agree that if either elect to cease operating the Self-Billed Invoice process, then they will notify the other in writing and the Buyer will cease raising Self-Billed Invoices within 1 (one) year of receipt or provision (as applicable) of such notice; and
- (i) if the Buyer is unable to raise Self-Billed Invoices, this clause 4.5.1 will cease to apply and the Buyer and Supplier agree to use the invoicing method set out in clause 4.4;

4.5.2 notwithstanding clause 4.4, where the Supplier has not registered to participate in a goods collection service with the Buyer or an Affiliate of the Buyer or where the issue of a Self-billed Invoice is not permitted under applicable Law then the Supplier will be entitled to invoice the Buyer after the later of the Scheduled Delivery Date or the Delivery of all the Deliverables. The Supplier will agree the format of the invoice in advance and in accordance with the Buyer's instructions;

- 4.6 Subject to Supplier's compliance with its obligations in clause 4.4 or 4.5 (as applicable) and provided the Deliverables have been accepted in accordance with clause 6 (Acceptance) , then the Self-billed Invoice or invoice (as applicable) will be due and payable by the Buyer on the first Friday seventy-five (75) days after the issue of the Self-billed Invoice or the receipt of a valid, complete, accurate and undisputed invoice from the Supplier, as applicable. If such a Friday is not a normal banking day in the United Kingdom then payment will be made on the following normal banking day in the United Kingdom.
- 4.7 Subject to and in accordance with clause 4.6, the Buyer will electronically transfer payment to the Supplier using (at the Buyer's option) BACS transfer or wire transfer and unless otherwise agreed between the Parties, the Supplier acknowledges and agrees that the Buyer will not be responsible for any charges incurred on the payment from intermediary banks during the transfer of such payment to the Supplier. Unless otherwise agreed between the Parties, the Buyer will not make payments to third parties (other than to the Supplier's account with a reputable bank).
- 4.8 The Supplier will notify the Buyer as soon as practicable if: (i) its VAT registration number changes; (ii) it ceases to be VAT registered; and/or (iii) there are any other changes which may affect how VAT is assessed in relation to the Contract.
- 4.9 Without prejudice to any other right or remedy, the Buyer will be entitled, at its sole discretion and without notice, to set-off any liability or amount owed by it to the Supplier under the Contract against any liability of the Supplier or any Supplier Affiliates to the Buyer or any of the Buyer Affiliates (including any amounts arising under any indemnity in the Contract) under the Contract or under any other agreement, whether such liability is present, future, actual, contingent, disputed, liquidated or unliquidated and regardless of the currency in which such liabilities arise. Sections 3(2) and (3) of the Contracts (Rights of Third Parties) Act 1999 will not apply.
- 4.10 If the Supplier does not receive any amount due from the Buyer under the Contract on its due date (pursuant to clause 4.6 above), the Supplier will be entitled to charge interest on all valid overdue amounts at a rate of 0.5% per annum above the Base Rate, accruing on a simple basis from the day the

amount became overdue and ending on the day payment is received in full by the Supplier. The Parties agree that this represents a substantial remedy in accordance with section 8(2) of the Late Payment of Commercial Debts (Interest) Act 1998 and, without prejudice to clause 17.4.2, Supplier's entitlement to such interest is the Supplier's sole and exclusive remedy in respect of any late payment by Buyer.

- 4.11 No variation in the price nor extra charges can be made (whether on account of increased material, labour or transport costs, fluctuation in rates of exchange or otherwise) without the prior written consent of the Buyer. In addition to this, the Supplier will at all times, and will ensure that its suppliers will at all times, enact or implement any available exemptions and/or reliefs from Tariffs (including but not limited to the use of inward processing relief, duty drawback, temporary import bond, foreign trade zone, deep processing model and defence exemptions) and will provide to the Buyer upon request any information regarding the status of the Supplier's (and its suppliers') applications in respect of such exemptions and/or reliefs and the effects on its costs (where applicable). The Supplier will absorb any increase in costs resulting from Tariffs and will not pass such costs on to the Buyer.
- 4.12 The Buyer will make all payments under the Contract without any Tax Deduction unless applicable law requires a Tax Deduction to be made. If a Tax Deduction is required by law to be made by the Buyer::
- 4.12.1 the Buyer may make the minimum Tax Deduction permitted by law;
- 4.12.2 and subject to the Supplier providing the Buyer with a valid and properly completed government form (such as the appropriate W-8 form) authorizing the Supplier to reduce or eliminate the amount of Tax Deduction, the Buyer will reduce the amount of the Tax Deduction to the amount permitted under the terms of such form;
- 4.12.3 the Buyer will deliver to the Supplier an official receipt, or if an official receipt is not available, such other evidence satisfactory to the Supplier (acting reasonably) that the Tax Deduction has been made or, as applicable, any supporting payment paid to the relevant taxing authority.

For the purposes of this clause 4.12, "**Tax Deduction**" means a withholding or deduction for or on account of Tax and "**Tax**" means all present and future income, turnover, business, license, corporation, capital gains, franchise, export/import, registration, stamp, documentary and other taxes, levies, duties, imposts, fees and charges of whatever nature together with interest and penalties, if any, and any payments made on them or in respect of them.

- 4.13 If the Buyer receives an invoice from the Supplier, which it disputes in good faith, the Buyer will notify the Supplier in writing of such dispute as soon as reasonably practicable and the Buyer may withhold payment of such sums as are in dispute pending resolution of such dispute with the Supplier.
- 4.14 The Supplier will, no later than 60 (thirty) days from receipt of a request from the Buyer, provide a completed CCW (or, as applicable, updated CCW) with full and then current information. For these purposes, "**CCW**" means a component cost worksheet applicable to each Deliverable in such form as Buyer requests and containing cost information reasonably required by the Buyer to allow it to assess the potential for reducing the cost of the Deliverables.
- 4.15 Within 90 (ninety) days of Buyer's written request, Supplier will provide the Buyer with a draft CIP regarding the Deliverables . For each draft CIP submitted by the Supplier, the Buyer may: (i) require further information or amendments (in which case the Supplier will provide the same), or (ii) approve the plan and once approved by the Buyer it will become the CIP.
- 4.16 The Supplier will implement and comply with the CIP. The output of all cost reduction activities set out in the CIP will be reflected in a reduced price for the Deliverables which reflects the full saving achieved and will take effect from the date of implementation of the relevant cost reduction activity.
- 4.17 If the Buyer determines that the Supplier has failed to implement one or more cost reduction initiatives within the timescales specified in the then current CIP, the price of the relevant Deliverable will be deemed uncompetitive and each such Deliverable will be an "**Uncompetitive Deliverable**". The Buyer will provide written notice of such a determination ("**Notice of Uncompetitive Deliverable**"). If the Supplier cannot disprove the Buyer's findings to the Buyer's reasonable satisfaction within 30 (thirty) days of the date of the Notice of Uncompetitive Deliverable , then the Supplier will promptly reduce the price of such Uncompetitive Deliverable(s) to at least the level to which it would have been reduced pursuant to clause 4.16 had the Supplier implemented the relevant cost reduction initiative in accordance with the CIP.

5. DELIVERY OF DELIVERABLES

- 5.1 In respect of Deliverables:

- 5.1.1 it is a condition of the Contract that the Supplier will, unless otherwise stated in the Order, Deliver each Deliverable to the relevant Buyer in accordance with FCA Incoterms (2020) on the Scheduled Delivery Date to the Delivery Location with all documentation required by the Contract;
- 5.1.2 the Supplier will participate in a goods delivery service with the Buyer;
- 5.1.3 the Supplier:

 - (b) under a make to print Contract, to any party other than the Buyer, the Buyer's Affiliates, an entity in the Buyer's Group or a person to whom the Buyer has instructed Supplier in writing to supply the Deliverables. For these purposes, a make to print Contract is any Contract under which Supplier is not required to design the Deliverables;
- 5.1.4 the Supplier will ensure, as a condition of the Contract, that title to a Deliverable transfers to the Buyer on receipt at the Buyer's designated facility with full title guarantee and free from all Security Interests. - 5.2 Subject to clause 11 (Force Majeure), if the Supplier fails to Deliver a conforming Deliverable on the Scheduled Delivery Date, then Supplier will pay Buyer, as liquidated damages, the amount equal to two and a half percent (2.5%) of the price of the delayed Deliverable for each seven-day (7) period of delay subject to a maximum of ten percent (10%) of the price of the Deliverable so delayed. Supplier's obligation to pay such amount is without prejudice to any other rights of the Buyer whether under the Contract or at law, including Buyer's right to recover from the Supplier, all Losses suffered by Buyer as a result of the Supplier's failure to Deliver a conforming Deliverable on the Scheduled Delivery Date.
- 5.3 The Supplier will immediately notify the Buyer in writing if it has any reason to believe that it may or will be delayed in any way from completing its obligations under the Contract, with full details of the reason for such belief and any mitigating measures it is taking to manage or reduce the delay.

6. ACCEPTANCE

- 6.1 Where the Order (or any other part of the Contract) stipulates that acceptance tests or inspections will apply to the Deliverables, the Deliverables will not be deemed accepted until the completion of such acceptance tests or inspections to the satisfaction of the Buyer.
- 6.2 Where the Order (or any other part of the Contract) does not provide for any acceptance tests or inspections, the Buyer will in respect of Deliverables, if the Buyer is not satisfied that the Deliverables are in full conformance with the requirements of the Contract, have the right to reject the Deliverables, in whole or in part, within a reasonable period of time following the Delivery, not to be less than forty-five (45) days in any circumstances.
- 6.3 Any acceptance of the Deliverables by the Buyer will not release the Supplier from complying with its other obligations under the Contract (including any warranties or representations given or made by the Supplier under the Contract).
- 6.4 If the Buyer rejects a Deliverable, the Buyer will notify the Supplier in writing and the Supplier will collect such Deliverable, at its own cost, within thirty (30) days of such notification. If the Supplier does not collect the Deliverable within thirty (30) days of the notification of rejection, the Buyer may scrap or dispose of the Deliverable at the Supplier's cost. If the Buyer rejects a Deliverable the Supplier agrees and acknowledges that the Buyer will have no

liability in respect of any payments due for such rejected Deliverable and the Supplier will reimburse the Buyer any prepaid payments in respect of any rejected Deliverable within fourteen (14) days following receipt of notification by the Buyer (in accordance with this clause 6.4).

- 7.4 The Supplier will immediately follow any instructions of the Buyer to return to the Buyer any Buyer Property and any other information or data belonging to the Buyer and will not dispose of the Buyer Property at any time other than in accordance with the Buyer's written instructions or authorisation and will deliver the Buyer Property in the same condition as originally received by the Supplier, reasonable wear and tear excepted, at the Supplier's expense..
- 7.5 The Supplier will indemnify the Buyer or its Affiliates against any and all liability for loss or damage to the Buyer Property or injury to or death of persons arising from or incidental to the presence or use of the Buyer Property, whether such loss, damage, injury, or death be caused by defects in such property, negligence in the use of such property, strict liability or otherwise.
- 7.6 If the Supplier suffers an Insolvency Event, and without prejudice to any other right which Buyer may have in respect of Buyer Property, the Buyer reserves the right to enter the Supplier's premises during normal business hours to remove all Buyer Property.

8. QUALITY, CHANGE CONTROL AND OBSOLESCENCE

- 8.1 The Supplier warrants and represents that it will comply and it will ensure that, where applicable, the Deliverables will comply in full with any requirements set out in the Global Supplier Portal, as updated from time to time by the Buyer, including the requirements of SABRe, unless such requirements clearly state that they are not applicable to the type or nature of the Deliverables being supplied by the Supplier under the Contract.
- 8.2 Subject to clause 8.3 and 8.4 and clause 21.15, the Supplier will incorporate the Buyer's requested Changes in accordance with the Change Control Process and will procure that its sub-contractors and suppliers comply with and undertake any and all relevant Changes.
- 8.3 This clause 8.3 only applies in Contracts under which the Supplier is contracted to design and supply the Deliverables and is without prejudice to clause 21.15. Up to and including the Design Change End Date, the Supplier will accept all Changes and fund all associated recurring and non-recurring costs, (including any third party charges and costs) including costs after such period in respect of Changes requested during such period, as requested by the Buyer.
- 8.4 Subject to clause 8.3 and 8.5 (as applicable) and clause 21.15, if a Change will increase the cost of a Deliverable, then the Buyer and Supplier will enter into good faith discussions to agree a revised price. The revision to the price will reflect only the impact of the Change on the Supplier's costs, as demonstrated by the Supplier to the reasonable satisfaction of the Buyer. Any decrease in the cost of a Deliverable arising from a Change will be reflected in a reduction to the price in accordance with clause 4.15. Pending agreement on the revised price, Supplier will continue to supply the unmodified Deliverable in accordance with the Contract.
- 8.5 This clause 8.5 only applies in Contracts under which the Supplier is contracted to design and supply the Deliverables and is without prejudice to clause 21.15. The Supplier will take all actions (and bear the costs of any necessary Change) to ensure that the Deliverables are not affected by obsolescence including but not limited to the following:

- 9.1 Notwithstanding clause 6 (Acceptance) and, in each case, without prejudice to Buyer's other rights and remedies at law or otherwise::
- 9.1.1 if a Deliverable has a Defect then the Supplier will, on written notice from the Buyer and at the sole discretion of the Buyer:
 - (a) collect the Deliverable from its then current location, repair or replace the Deliverable and Deliver the repaired or replacement Deliverable at the Supplier's sole cost to the location specified by Buyer (such costs to include any transportation costs, any costs related to the removal or re-installation of the Deliverable from any higher assembly item and any other costs that the Buyer incurs that it would not have incurred but for the Defect);

- 11.2 The affected Party will use all reasonable endeavours to mitigate the effect of a Force Majeure Event.
- 11.3 If a Force Majeure Event occurs that will or may prevent the timely performance of a Party's obligations under the Contract, the affected Party will notify the other Party as soon as possible and in any event within five days of the start of the Force Majeure Event, providing:
- 11.3.1 full details of the Force Majeure Event;

11.3.2 its anticipated effect; and

11.3.3 the affected Party's proposed measures to mitigate its effect.

11.4 If the Buyer receives a notification from the Supplier under clause 11.3 or if the Buyer reasonably believes that a Force Majeure Event has occurred that will or may prevent the timely performance of the Supplier's obligations under the Contract, the Buyer may immediately, on written notice to the Supplier and without any liability to the Supplier, cancel any of its Order(s) under the Contract in respect of some or all of the Deliverables.

11.5 In the event of cancellation pursuant to clause 11.4 the Supplier will repay to the Buyer any amount paid by the Buyer in respect of the cancelled Deliverables before their cancellation and clause 2.10 will not apply to any cancellation made under clause 11.4 and neither Party will have any other liability to the other in respect of such cancellation.

12. SUPPLY OF INFORMATION, RIGHTS OF INSPECTION AND PERFORMANCE PLANS

12.1 The Buyer may, in its absolute discretion and at any time before the termination or expiry of the Contract or the Delivery or cancellation of all of the Deliverables (pursuant to clause 2.10) inspect or nominate a Permitted User, a regulatory body, an independent third party or a customer of the Buyer (together for the purposes of this clause 12 "Inspector"), to inspect:

and the Supplier will co-operate to the fullest possible extent with the Buyer to ensure the Buyer or, as applicable, the Inspector is able to conduct and complete such inspections promptly and to the Buyer's satisfaction.

12.2 The Buyer will give the Supplier reasonable written notice of its intention to exercise its rights under clause 12.1.

12.3 The Supplier will ensure that the Buyer is able to exercise all its rights set out in clause 12.1, 12.2 and 12.5 against a subcontractor or supplier of the Supplier in connection with the Contract.

12.5 If the Buyer has reasonable grounds for believing the Supplier may be unable to perform its obligations under the Contract, the Buyer may:

12.5.1 require the Supplier to provide written evidence, to the Buyer's satisfaction, that the Supplier is able to fulfil its obligations under the Contract within thirty (30) days of the Buyer's request. If the Supplier fails to provide such evidence within thirty (30) days of the Buyer's request, the Buyer may treat that failure as a material breach and terminate the Contract in whole or part;

12.5.2 deploy its representatives (being either its own employees or contractors or those from its nominated service provider) to the Supplier's relevant site to provide recommendations to the Supplier on how Supplier may remedy or mitigate any existing non-conformance with the Contract and/or attempt to avoid any future non-conformance with the Contract (a "Performance Plan"). Buyer will ensure that its representatives consult with Supplier in preparing any Performance Plan and will ensure that its nominated service provider is subject to

reasonable confidentiality obligations in respect of any Performance Plan and confidential information belonging to Supplier which is disclosed to its representatives pursuant to clause 12.6.1.

12.6 The Supplier will:

- 12.6.1 provide Buyer's representatives with all information reasonably required to enable them to prepare a Performance Plan and permit Buyer's representatives to access Supplier's relevant site(s) for the purposes of preparing and monitoring the Supplier's implementation of a Performance Plan;
- 12.6.2 implement, in full, any Performance Plan; and

- 12.8.2 preparation, implementation or non implementation of a Performance Plan;

will not, in each case, imply any waiver of the Supplier's obligations or Buyer's rights under the Contract.

12.9 The Supplier will, on request, promptly provide the Buyer with a certificate of origin for any Deliverable or part of any Deliverable, and ensure that each such certification reflects the requirements of the World Trade Organization Trade Facilitation Agreement (where applicable).

13. **SUBCONTRACTORS**

13.1 The Supplier will not, without prior written notice to the Buyer, sub-contract, transfer or part with any right or obligation under the Contract nor delegate any of its responsibilities or obligations under the Contract, provided always that the Supplier will be liable for the acts and omissions of the sub-contractor and will ensure that such sub-contractor's performance and/or delivery in connection with the Contract conforms to the requirements of the Contract ("**Authorised Sub-contractor**"). The Buyer may in its sole discretion and at any time during the term of the Contract, prohibit the use of a sub-contractor by the Supplier and the Supplier will not utilise such sub-contractor in the performance of the Supplier's obligations under the Contract.

13.2 The Supplier will ensure that any sub-contract agreed between the Supplier and an Authorised Sub-contractor will be subject to:

- 13.2.1 the Supplier entering into a legal binding agreement or commitment with the Authorised Sub-contractor that contain clauses that are materially similar to those in the Contract; and
- 13.2.2 each sub-contract containing a term prohibiting the Authorised Sub-contractor from sub-contracting any of its obligations.

13.3 The Supplier will, immediately on the Buyer's request, terminate the relevant sub-contract with the Authorised Sub-contractor.

- 15.2 If the Supplier is unable to comply with, or at any time during the term of the Contract ceases to comply with, any security measures contained in the Rolls-Royce Supplier Minimum Cyber Security Standard (including any changes to certifications and accreditations) the Supplier will immediately notify the Buyer and unless otherwise directed by the Buyer, the Supplier will provide the Buyer with a cyber implementation plan within thirty (30) days from the date of such notification and the Parties will agree in good faith the remedial actions required.
- 15.3 Unless otherwise agreed between the Parties, the Supplier agrees to complete all remedial actions agreed pursuant to clause 15.2, to the Buyer's reasonable satisfaction within six (6) months from the date of the Supplier's notification pursuant to clause 15.2 and the Parties will review progress of such cyber implementation plan no less than once every four (4) weeks.
- 15.4 The Supplier will (and will procure that any Authorised Sub-contractor will) if so requested by the Buyer on reasonable notice and no more than once per annum, submit to periodic formal security reviews conducted by the Buyer or the Buyer's third-party representatives (or by the Supplier on any Authorised Sub-contractor) to:
- 15.4.1 review and verify the confidentiality, integrity and security of any data relating to the Contract; and
 - 15.4.2 review the Supplier's compliance with the Rolls-Royce Supplier Minimum Cyber Security Standard and the Contract.
- 15.5 The Supplier will (and will procure that any Authorised Sub-contractors will) submit to a review by the Buyer and/or its third-party representatives in the event of a Cyber Security Incident in order to assess the impact of the Cyber Security Incident on the Buyer.
- 15.6 In the event of a breach of this clause 15 by the Supplier, including failure by the Supplier to provide a cyber implementation plan in accordance with clause 15.2 and/or complete the remedial actions within any agreed timelines pursuant to clause 15.3, the Buyer may, in its sole discretion:

- 15.7.2 a breach of this clause 15; and/or
- 15.7.3 a breach of clause 18 (*Confidentiality*).

16. DIRECTED BUY AND THIRD PARTY AGENTS

- 16.1 If the Buyer nominates a third party vendor for the supply of materials or components to the Supplier regarding the Deliverables the Supplier will purchase them from such third party (a "**Direct Buy Vendor**").
- 16.2 Where applicable the Buyer may disclose the relevant terms (or relevant parts of those terms) it has agreed with the Direct Buy Vendor (and any changes to such terms from time to time) to the Supplier in writing (the "**R-R Supply Chain Terms**"). The Supplier will enter into an agreement with such Direct Buy Vendor for the supply of the relevant materials and components. Such agreement will contain the R-R Supply Chain Terms and may also contain other terms provided they do not conflict with, or otherwise diminish or impair the benefit of the R-R Supply Chain Terms. The Supplier will use such materials and components only for the manufacture of Deliverables under the Contract. At any time, a Buyer may change any such Direct Buy Vendor or any R-R Supply Chain Terms (including price) in respect of Deliverables and will notify the Supplier of the change. Such change will only be effective if approved by all Buyers under the Contract.
- 16.3 If there is a conflict between the terms of the Contract and the R-R Supply Chain Terms and, due to a breach of the R-R Supply Chain Terms by the Direct Buy Vendor, the Supplier is liable to a Buyer and is prevented from recovering such liability from the Direct Buy Vendor due to the terms of the R-R Supply Chain Terms, the Buyer's rights and remedies against the Supplier will be restricted to those rights and remedies which the Supplier in turn has under the R-R Supply Chain Terms.
- 16.4 Any changes to:
 - 16.4.1 the price of material and components purchased from a Direct Buy Vendor (where such change is in accordance with the R-R Supply Chain Terms or otherwise agreed by all relevant Buyers); or
 - 16.4.2 the price of materials and components caused by an addition of, or change to, the Direct Buy Vendors (or the materials or components they supply);may (subject to the remainder of this clause 16.4) result in a proposed change to the price of the relevant Deliverables but such proposed change in price of Deliverables will, if agreed in writing by the Parties, be limited to that required to pass through to the Buyer, without margin, the cost or benefit of the relevant change in price of material or components. Such proposed change in price must be notified in writing by the Supplier to the relevant Buyer and will be subject to the written agreement of the Parties acting reasonably, provided always that each relevant Buyer will be entitled, at its sole discretion, to reject any proposed increase to the Price that relates to Tariffs payable in respect of the relevant material or components either by the Supplier or the Direct Buy Vendor. The Supplier will not submit any proposed change in the price (under this clause or otherwise) that relates, directly or indirectly to Tariffs and any proposed change in respect of the price that relates directly or indirectly to Tariffs will have no force and effect.
- 16.5 On request of a Buyer, the Supplier will enter into and comply with a supply agreement ("**Supply Chain Supply Agreement**") regarding the Deliverables with a Buyer Affiliate, sub-contractor, supplier or risk and revenue sharing participant on the same or more favourable terms (including at the same or a more favourable price) as the Contract (subject to such amendments as may be required to comply with the local Law of such Affiliate, sub-contractor, supplier or risk and revenue sharing participant) and for these purposes the Buyer may disclose the terms of the Contract to such Affiliates, sub-contractors, suppliers and risk and revenue partners. Failure by the Supplier to comply with a Supply Chain Supply Agreement will also be deemed to be a breach of the Contract by the Supplier. For the purposes of this clause 16.5, 'more favourable' means more favourable from the perspective of the Buyer Affiliate, sub-contractor, supplier or risk and revenue sharing participant.
- 16.6 At any time during the term of the Contract, Buyer may appoint a third party agent to manage and perform part or all of the Contract on Buyer's behalf. If Buyer appoints such an agent:
 - 16.6.1 Supplier will, in relation to the performance and administration of the Contract, comply with instructions given to Supplier by any such agent as if those instructions had been given by Buyer;

- 16.6.2 any order submitted by the agent in relation to the Contract will be treated in all respects as an Order;
- 16.6.3 Supplier will accept the agent's performance of the Contract as if it were by Buyer; and
- 16.6.4 Buyer may disclose Information to the agent to the extent required to enable the agent to perform its obligations to Buyer. Buyer will ensure that it has suitable confidentiality terms in place with the agent.

17. TERMINATION

17.1 The Buyer may, without prejudice to its other rights or remedies under the Contract terminate the Contract in whole or in part without liability to the Supplier:

17.1.1 immediately on written notice to the Supplier, if:

17.1.2 immediately on written notice pursuant to clauses 3.2.2, 15.6, 23.5 and 24.8.3; or

17.2 On termination of the Contract, for whatever reason, the Supplier will promptly return to the Buyer or at the Buyer's request destroy (and the Supplier will provide written certification of such destruction) so that the Information is no longer retrievable, all Information relating to the Contract and all copies thereof and all other materials, data, information, documentation and the like (including such materials which are electronically stored) which have been provided, used or processed or created by or on behalf of the Buyer in respect of the Contract.

17.3 On termination in accordance with clause 17.1, the Supplier will, if required by the Buyer to do so:

17.3.1 promptly provide the Buyer (and any Permitted User and/or a third party engaged by the Buyer to complete the Deliverables (for the purposes of this clause 17.3 only, together the "**Users**")) with and licence the Buyer (and any Users) to use, or ensure that the Buyer (and any Users) is promptly provided with and the Buyer (and any Users) is (or are) licensed to use, all such designs, documentation, IPR and information as may be necessary to enable the Buyer (and any Users) to complete the Deliverables, over the period of time the Supplier would have completed the Deliverables if the Contract had been performed as originally intended by the Parties. Subject to clause 20 (Intellectual Property Rights), the Buyer (and any Users) will have no right to use such designs, documentation and information provided under this clause 17.3 for any purpose other than completing the Deliverables and/or having a third party complete the Deliverables; and

- 17.3.2 continue to fulfil Binding Orders and supply Deliverables at the contracted price until the earlier of (a) such time as a satisfactory alternative source of supply for the Deliverables (as determined by the Buyer in its absolute discretion) is approved by Buyer as being able to supply fully conforming Deliverables at Buyer's required rate of supply; and (b) the date on which the Contract would have expired had it not been terminated.
- 17.4 The Supplier may terminate the Contract in the following circumstances only and any right the Supplier may otherwise have to terminate or cancel the Contract at common law (including by acceptance of repudiation by the Buyer) is hereby excluded:
- 17.4.1 if the Buyer suffers an Insolvency Event (excluding any solvent reorganisation); or
- 17.4.2 if the Buyer is in breach of any obligation to make any payment under the Contract and such breach continues for a period of 90 (ninety) days from the date that the Buyer received a written notice from the Supplier notifying the Buyer that the payment was overdue, provided that the amount of the payment is not in dispute between the Parties.

18. CONFIDENTIALITY

- 18.1 Subject to clause 18.2, each Party agrees to hold in confidence any Information that it acquires directly or indirectly from the other Party (or the Affiliates of the other Party) and agrees;
- 18.1.1 to protect the Information with the same degree of care used to protect its own Information (which will never be less than a reasonable degree of care);
- 18.1.2 not to use the Information other than for the purposes of the Contract;
- 18.1.3 not to disclose the Information at any time or to any third party without the written approval of the other Party; and
- 18.1.4 not to remove, alter or deface any proprietary, confidentiality or security designations denoted on the Information.
- 18.2 The provisions of clause 18.1:
- 18.2.1 do not apply to Information which is:
- (a) already in the public domain;
 - (b) received from a third party who is without an obligation of non-disclosure; or
 - (c) already known (without any obligation of confidentiality) by the receiving Party at the time of receipt.
- 18.2.2 will not prevent either Party from disclosing the Contract and financial information concerning the business between the Parties to appointed auditors, legal advisers, insurers, accountants and in respect of the Buyer, to any relevant Government(s);
- 18.2.3 will not prevent the Buyer from using the Information for its internal business purposes;
- 18.2.4 will not prevent the Buyer from disclosing Information to its Representatives solely to the extent necessary for the purposes of using the Deliverables (as applicable), exercising its rights and performing its obligations under the Contract and/or for its internal business purposes;
- 18.2.5 will not prevent the Supplier from disclosing Information to its Authorised Sub-contractors solely to the extent necessary for the purposes of supplying the Deliverables (as applicable);
- 18.2.6 will not prevent the Buyer from disclosing Information to its Affiliates and/or Permitted Users; and
- 18.2.7 will not prevent the Buyer from disclosing Information protected by the Supplier's IPR, if and to the extent that it is entitled to sublicense the use of such IPR.
- 18.3 Each Party will be responsible for the observance of the provisions of this clause 18 by its employees or any other third parties to whom Information is disclosed in accordance with this clause 18.

- 18.4 If the Party receiving the Information (the “**Receiving Party**”) believes it is required by Law to disclose any Information to any third party:
- 18.4.1 such Party will provide the Party disclosing the Information (the “**Disclosing Party**”) with immediate written notice of such requirement or obligation (together with a copy of any relevant access request, court order, or other evidence giving rise to such belief or obligation) to enable the Disclosing Party to seek appropriate protective relief and/or to take steps to resist or narrow the scope of any required disclosure; and
- 18.4.2 the Receiving Party must co-operate with the Disclosing Party with respect to such matters and will in any event disclose only such Information as it has ascertained, after taking legal advice, it is compelled by Law to disclose, and will use all reasonable endeavours to ensure that all Information so disclosed is accorded confidential treatment on materially similar confidentiality terms as contained in the Contract. The Receiving Party will always notify the Disclosing Party in writing of the means, content and timing of such a disclosure before such a disclosure is made.
- 18.5 For the purpose of this clause 18, the Buyer will be deemed to be the Disclosing Party, and the Supplier to be the Receiving Party of any Information that constitutes Manufacturing Foreground IP.

19. **GOVERNMENT FLOW DOWNS**

The Supplier acknowledges that the Buyer and its Affiliates (from time to time) has or have customers including governmental or other public bodies which may require, pursuant to their agreements and arrangements with the Buyer and/or a Buyer Affiliate, that the Buyer and/or a Buyer Affiliate complies with terms, conditions, restrictions and other obligations of such government or other public body (together, the ‘government requirements’) and the Supplier will and will procure that its Authorised Sub-contractors will comply with any such government requirements provided or made available to the Supplier in writing from time to time. Without prejudice to any other term of the Contract that requires Supplier to procure that its Authorised Sub-contractors take an action, Supplier will procure that its Authorised Sub-contractors include in any relevant contract to which the Authorised Sub-contractor is a party a provision requiring the counterparty to flow down the government requirements to its suppliers. For these purposes, a ‘relevant contract’ means any contract between an Authorised Sub-contractor and its supplier which relates directly or indirectly to the Deliverables.

20. **INTELLECTUAL PROPERTY RIGHTS**

- 20.1 Subject to clause 20.2, neither Party will acquire any title, right or interest in or to any IPR belonging to or licensed to the other Party or developed by the other Party.
- 20.2 Subject to clause 20.3, all IPR created as a result of work undertaken under or in connection with the Contract by the Supplier, its suppliers, subcontractors or agents, including any IPR in any new technologies, products, processes, reports, diagrams, documentation, business methods or methods of manufacture (“**Foreground IP**”) together with any Enforcement Rights will vest in and become the absolute property of the Buyer. The Supplier hereby assigns, and will ensure that any third party creating Foreground IP on the Supplier’s behalf assigns, all Foreground IP to the Buyer with full title guarantee together with all Enforcement Rights, with effect immediately on creation of such Foreground IP, free from any Security Interest and the Supplier will:
- 20.2.1 take all necessary actions, or will ensure that the necessary actions are taken, (including signing any documents) to ensure that such Foreground IP vests in full with the Buyer immediately on creation;
- 20.2.2 ensure that its and its suppliers’ employees and contractors waive any moral rights in or relating to any works to which such Foreground IP relates and will on request provide the Buyer with written evidence of such waiver; and
- 20.2.3 take any steps reasonably required by the Buyer to enable the Buyer to register its ownership of such Foreground IP.
- 20.3 Manufacturing Foreground IP will be owned by the Supplier who will have the free unrestricted right to use, license and disclose it for any purpose whatsoever. For these purposes, “**Manufacturing Foreground IP**” means any Foreground IP in the processes, techniques and tooling used by the Supplier in the manufacture of the Deliverables which: (a) are applicable to the manufacture of products or parts other than the Deliverables; (b) are not determined or influenced by the design, geometry, size, materials or other property or characteristic of the Deliverables; and (c) are not based on processes, techniques and tooling disclosed to Supplier by a Buyer.
- 20.4 Subject to clause 20.3, the Supplier will not use, exploit, develop, transfer or licence any Foreground IP or any other IPR belonging to, or provided to the Supplier by the Buyer and any Affiliate of the Buyer for any purpose other than fulfilling its obligations to the Buyer under the Contract.

- 20.5 The Buyer hereby grants to the Supplier a non-exclusive, royalty-free, non-transferrable, non-sub-licensable licence to use, for the sole purpose of and to the extent necessary for performing the Contract, any of the Buyer's IPR that the Buyer discloses or makes available for such purpose. Subject to obtaining Buyer's prior written consent to the terms of any sub-license, Supplier may sub-license such IPR to Authorised Subcontractors to the extent necessary to permit the Authorised Subcontractor to perform the service required by the Supplier.
- 20.6 The Supplier hereby grants to the Buyer a non-exclusive, royalty-free, transferable, perpetual, irrevocable, worldwide, freely sub-licensable licence to use any IPR owned by the Supplier or licensed to the Supplier on terms permitting the grant of this licence for the purpose of possessing, using, distributing, copying, exploiting, developing, repairing, maintaining or selling the Deliverables.
- 20.7 The Supplier will indemnify the Buyer in full against any loss suffered by the Buyer as a result of a third party allegation or claim that the possession, use, exploitation, development, sale or repair of the Deliverables infringes such a third party's IPR (an "IPR Claim"). This clause 20.6 will not apply where the IPR Claim is the direct and unavoidable result of the Supplier using IPR that was provided to the Supplier by the Buyer or any Affiliate of the Buyer and that the Buyer required the Supplier to use in the performance of the Contract.
- 20.8 In addition to the indemnity set out at clause 20.7 above, if there is an IPR Claim or if the Buyer reasonably suspects that there will be an IPR Claim and notifies the Supplier in writing thereof, the Supplier will take all steps required by the Buyer to ensure that the Buyer and its customers can continue to use the Deliverables without infringing a third party's IPR, which may include obtaining for the Buyer and its customers a worldwide, non-exclusive, royalty-free, irrevocable, sub-licensable and perpetual licence to possess, use, exploit, develop, sell, maintain or repair the Deliverables (or any part thereof) (and in respect of Deliverables to manufacture or have manufactured the Deliverables) which are the subject of the IPR Claim or, at the Buyer's sole discretion, replacing such Deliverables with substantially equivalent non-infringing Deliverables.
