

Quality Clause 245000 - UID Marking (08/24/18)

UID marking Supplier shall provide documentation certifying the UID sticker label or UID mark applied to the Rolls-Royce-supplied nameplate/label is compliant to MIL-STD-130.

Subject to US export requirements, the Supplier must email documentation at the time of shipment to RRNMI.Certs@Rolls-Royce.com.

- 1) The Rolls-Royce purchase order (PO) number and Rolls-Royce part number shall be referenced in the email subject line in the following format: "Report(s) for PO XXXXXXXXXXXX Unit Serial Number YYYYYYYYYY".
- 2) Supplier emails with attached files must be less than 10 MB in size due to Rolls-Royce email system limitations. We recommend the email subject line format: "Report(s) for PO XXXXXXXXXXXX, Part Number YYYYYYYYYY 1st of X Emails" should multiple emails be required due to file size limitations. Documentation must be legible and of reproducible quality. Files cannot contain macros or executables.
